Reports from solicitors and committees having in charge the work of the local church's part in the \$33,000,000 Methodist Educational drive have not yet completed their rounds of the membership. The Somerville church was given a quota of \$6,000 to raise, and the indication are not that about one half this sum will be subscribed by the local church, and it then is doing about as much as other churches heard from.

News has reached Somerville of the marriage in Memphis Tuesday of this week of Miss Ernest Moore to Mr. Joseph E. Ferrall, the marriage taking place at the home of Mr. and Mrs. Jack Shaw where Miss Moore has been making her home. The bride was reared in Somerville in the home of Mr. and Mrs. J. W. Shaw and lived here until after the death of Mrs. Shaw, since which time she has made her home with Mr. and Mrs. Jack Shaw.

The Missionary Survey published at Richmond, Virginia, by the Missionary Board of the Presbyterian church has this compliment for a Somerville girl in its issue of June, just off the press: "Under the able direction of Miss Valeria McKinstry, to whose untiring efforts the success of this evening's performance is due, the pupils have made marked progress and the taste for good music is being rapidly developed while its refining influence is making itself felt in the lives of the pupils." Miss Vallie is teacher of music at Stuart Robinson School at Blacky, Kentucky, from this report is published. She will return to her home in this city the last of the present week to spend her vacation here with her parents, Mr. and Mrs. W. H. McKinstry.

J. M. Reams of Warren lost two fine barns and their contents by fire Wednesday afternoon of this week. Besides the corn, hay, etc. consumed in the barns his fine riding horse was burned to death. And the greatest tragedy in the burning was the death of L. W. Denny, one of the oldest citizens of that part of the county. While running to the fire to assist his neighbor in his trouble Mr. Denny fell dead from heart failure. He was 72 years old and leaves several grown children. He was born in North Carolina and came to this county many years ago. He was buried Thursday afternoon at Hood's Cemetery near his home. Owing to this fire the meeting of the Craddock Book Club which was to meet with Mrs. Reams has been postponed.

Come in and try our Fortune Cream. We are exclusive agents for Fortunes All Cream Ice Cream. Cartwell Gillman Drug Co. adv.

The extreme heat has continued unabated the present week and has done much damage to farm and garden crop through this section. The heat has ranged from 90 to 94 degrees daily for more than two weeks, a thing never known in this section before in May. It has been exactly the type of weather seen here generally in August. And a wind from the east and northeast has helped to increase the damage. Many cotton fields that had a perfect stand of cotton two weeks ago now have almost none left and much has been planted over. Breaking land has been almost completely stopped and much corn is yet not planted for that reason and the corn and cotton that is up is doing but little good because of these weather conditions. Vegetation is too young to stand such severe heat and growth. And all signs of rain fail times like the present.

666 cures Dengue Fever. adv.

## A SOMERVILLE GIVES EVIDENCE

### His Testimony Will Interest Somerville Readers

The value of local evidence is indisputable. It is the kind of evidence we can prove it for ourselves. There has been plenty of such evidence in the Somerville papers lately, and this straightforward testimony has established a confidence in the minds of Somerville people that will not be easily shaken.

Jno. W. Russell, prop. of the Somerville Bottling Works, says: "I was in bad shape with kidney trouble. I couldn't even lift a case of soda water from my auto when delivering to my customers. I was so lame across my back. I had to toss about all night in bed, trying to get ease from the pains and my kidneys didn't act right at all. I used different kidney remedies, but failed to get relief until I began taking Doan's Kidney Pills. This medicine seemed to reach the trouble, and it was no time before two boxes completely cured me."

### Booze is Not a Good Cure

FROM THE AMES, IOWA INTELLIGENCER

When a man comes to you all doubled up with pain and declares he will die in your presence unless you procure him a drink of whiskey, send him to a doctor or else give him a dose of Chamberlain's Colic and Diarrhoea Remedy. There is a mistaken notion among a whole lot of people that booze is the best remedy for colic and stomach ache. adv.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the blood on the mucous surfaces of the system. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.
